# ABOUT THE HOLDING

## DARVISH GROUP

Darvish Group Holding was founded and started by Azar Passillo in 2010. The purpose of this holding was to bring together all of the potential companies and subsidiaries of the company into a single group, so that management, strategy, and purposeful planning would be the most effective. Our goal is to provide a strong and coherent framework for entry into the markets of the region and other target countries.

This holding consists of companies: Azar Passillo, Palermo, Varna Stone, Arta saze Arshin and Batis and .... , and we can say that there is all the package needed for construction from A to Z. A true team, a family, starting a movement far greater than any one individual can do on his own. The results speak for themselves, any comparing services can have the will to be great, but it's the will to continue to be great that sets us apart from our competitors. Our aim is to deliver rapid growth and premium services. With that being said, we have composed a rewarding client base implanting new ideas to continue moving towards our goal of expanding both locally and internationally.
